

BEFORE THE  
POSTAL REGULATORY COMMISSION  
WASHINGTON, D.C. 20268-0001

FIRST-CLASS MAIL AND PERIODICALS  
SERVICE STANDARD CHANGES, 2021

Docket No. N2021-1

**NATIONAL POSTAL POLICY COUNCIL**  
**NOTICE OF INTERVENTION**  
(May 4, 2021)

The National Postal Policy Council ("NPPC") hereby gives notice of its intervention in the above-captioned proceeding in accordance with Commission Order No. 5875. In support of its intervention, NPPC states:

1. The names and mailing addresses of the persons to receive service, when necessary, in this proceeding are:

Arthur B. Sackler  
Executive Director  
NATIONAL POSTAL POLICY COUNCIL  
1629 K Street, N.W.  
Suite 300  
Washington, D.C. 20006

William B. Baker  
Potomac Law Group, PLLC  
1300 Pennsylvania Avenue, N.W.  
Suite 700  
Washington, D.C. 20004

2. NPPC is an association of large business users of letter mail, primarily First-Class Mail using the Automation rate category, with member companies from the telecommunications, banking and financial services, insurance, and mail services industries. NPPC believes that its members

account for a majority of the Presort Letters and Cards (hereinafter "Presort Mail") in the postal system. NPPC members work closely with the Postal Service on worksharing and many other efforts to make their mail as efficient and low cost as possible. NPPC supports a robust postal system as important to its member's business success and to the health of the nation's economy generally.

3. NPPC members are concerned about the reduction in service standards for a substantial portion of First-Class Mail and the long-term consequences of such service degradation.

4. NPPC requests a hearing.

5. NPPC is studying the Postal Service's proposal in this proceeding but has yet to determine how actively it intends to participate.

Respectfully submitted,

NATIONAL POSTAL POLICY COUNCIL
